Family Houston is the leading provider of **counseling services, financial coaching, and case management support** in the Greater Houston Metropolitan Area. While we provide our services throughout the year to all those who need them, our staff is trained in disaster relief as they have helped families through the 2015 Memorial Day flood, the 2016 Tax Day Flood, and now the unprecedented natural disaster from Hurricane Harvey.

We serve the following counties, **Harris, Fort Bend, Montgomery, Waller and the Bay Area**. Our counselors and case managers are ready to help anyone who suffered through Hurricane Harvey. If you need assistance, please call **713-861-4849**.

Please note that our case managers will meet with our clients where is most convenient to clients given that many of them may have lost their cars and have a restricted mobility.
