### Hurricane Harvey Relief Fund

We are proud to announce that we were the only veteran organization selected in the 2nd round of funding by the Hurricane Harvey Relief Fund and the [Greater Houston Community Foundation](#)! We worked hard to reach out to our veteran community in response to the flooding and have been providing resources to those families as best as possible since.

This funding will allow us to continue to support those families we've been connecting to resources and support the past three months. All of these funds received will go to financial assistance for the impacted families and none will go to administration expenses. [#HurricaneHarveyReliefFund](#)
