

# Press Release- United Way Case Management Starts on Tuesday Oct. 3rd

SEPTEMBER 29, 2017

Beginning Tuesday October 3rd, there will be a case management team at the United Way Office. Location: first floor, 1600 Lake Front Circle, The Woodlands, TX 77380.

They are here to assist and assess your additional needs following Hurricane Harvey. This assistance may be available to you, if the following two conditions are met: 1) You must have applied for FEMA, and 2) were either denied or funds received from FEMA were insufficient and still need assistance.

We highly encourage our citizens to visit with a case manager, and allow this opportunity to help you get further along the road to recovery.
