Minor Critical Emergency Home Repair Program

The **Minor Critical Emergency Home Repair Program (MCEHRP)** is open! Please call the Housing and Community Development Department ([832.394.6161](tel:832.394.6161)) for more information. Please see requirements:

- Minor critical emergency home repairs are those repairs **critically needed to alleviate life, health or safety hazards**
- Applicants must be qualified to participate in the program; **applying does not guarantee approval for or acceptance into the program**
- Rebuilding Together Houston will provide **critical repairs UP TO \$10,000** per home to qualified applicants
- Specific repair services are determined based on condition of home, cost of repairs and availability of funds

For more information, please contact the **MCEHRP** at [832.394.6161](tel:832.394.6161), or the Department at [832.394.6200](tel:832.394.6200).
