As a city, we are now entering a long-term recovery phase. Houston Furniture Bank will continue providing furniture to families and individuals who need it, for as long as we have resources available to continue our efforts.

**Families and individuals in need of furniture will be referred to Houston Furniture Bank by agencies serving Harvey victims** in the greater Houston area, including Harris, Fort Bend, Montgomery and Galveston County.

#### Current Participating agencies:

- **Houston Health Foundation**
- **Housing and Community Development, City of Houston**
- **Community Family Centers**
- **Recovery Houston**
- **Project 828**

#### *Please note:*

- Many of these agencies already have many families enrolled in their programs. **More participating agencies are joining daily.**
- Each agency has different processes and qualifications; please direct your questions on these programs directly to them.
- Furniture distribution is provided by appointment only. **Agencies/organizations in partnership with HFB will be able to set up an appointment for you to obtain furniture.**
- If the agency/organization is NOT already in partnership with HFB, please ask them to send a request for partnership at [info@houstonfurniturebank.org](mailto:info@houstonfurniturebank.org).

#### **Regular Services**

While providing emergency support to Harvey victims, Houston Furniture Bank continues the normal furniture distribution operations – providing furniture to families and individuals who are transitioning to independent living, working in partnership with 85+ Houston-area agencies. Agencies refer clients to us and a case manager coordinates selection of clients, distribution of vouchers, and setting up appointments for the furniture distribution.
