

## Disaster Legal Aid

### **The State Bar Legal Hotline 1-(800) 504-7030**

The toll-free hotline is answered in English, Spanish, and Vietnamese. Callers can find help with problems such as replacing lost documents, answering insurance questions, tenant/landlord matters, and consumer protection issues such as avoiding price-gouging and contractor scams. Those who qualify for further assistance are matched with Texas lawyers who have volunteered to provide free, limited legal help.
